AS SEEN IN

We cover your event editorially, at no cost, when Gossip Stone TV is named an official media partner — visibility for coverage.

THE EVENT PROVIDES

- “Official Media Partner” title in event communications
- Logo on the step-and-repeat and/or event signage (per event branding)
- Logo + link on the event website
- Instagram mention & tag (@gossipstone.tv)
- Press access for our editorial team
- 2 VIP passes for Gossip Stone TV executives

WE DELIVER

- Pre-event announcement / listing on gossip-stone.com ahead of the date
- Post-event recap feature — permanent URL, built to rank on Google
- Instagram, Facebook & LinkedIn posts with live links to our audience
- Personal shout-out from our executives — post or Stories on their own Instagram
- **GUARANTEED** — “As covered by Gossip Stone TV” endorsement badge, live across our digital channels (site, social, email) — runs regardless of broadcast.

STRICT ENFORCEMENT

The post-event recap publishes only once every agreed placement — logo, link, Instagram tag — is live and confirmed. If terms lapse, we withhold the post-event feature and remove any pre-event coverage already published. No exceptions.
